November 2019

Adventure Medic Bridge & Re-Certification Training - February 13, 14 & 22, 2020

We're looking forward to having you join us for the upcoming course. This program will function as a Bridge program to take those with a **current** Standard First Aid certificate to a 40-hour level Wilderness First Aid Certification. The course also functions as a re-certification course for those who have a **current** 40-hour wilderness first aid certificate.

Certificates that expire before February 1, 2020 cannot be used as a pre-requisite for either program.

Important Course Information:

- Participants **MUST** provide proof of previous certification prior to receiving access to online course materials.
- Please email a copy of your current certification to rmam@adventuremed.ca
- Please register for the program using the registration information and link below.
- Once registered, we will require proof of previous certification prior to sending you the link to your online resources for the course.
- Training on February 13 & 14 will take place at St. Mary's High School – 111 – 18th Avenue SW, Calgary T2S 0B8
- The field day on February 22 will take place at Bragg Creek Provincial Park unless your instructor determines another location is preferable due to forecast weather conditions / temperatures.
- Session times are 8:30 to 4:30 daily in class and 9 – 4:30 for the field day.

Registration Guidelines:

Copy and paste the link below into your browser. This will take you to the registration page for this course:

<https://www.eventbrite.ca/e/78877730415>

- Follow the instructions on the registration page to signup for the event.
- You will find all course details available when you register
- If you have any questions, then please don't hesitate to contact us using the email / phone number below.
- **PLEASE REMEMBER THAT WE NEED TO RECEIVE PROOF OF CURRENT CERTIFICATION BY FEBRUARY 6, 2020**

Contact us at rmam@adventuremed.ca or 403 949 2632 if you have any questions.

We are looking forward to having you join us.

Thank you,

Rocky Mountain Adventure Medicine Inc.
